## ABOUT IKE'S LOVE & SANDWICHES

With over 80 popular locations throughout California, Arizona, Nevada and Texas, **Ike's Love and Sandwiches** is expanding to the East Coast and South Florida, specifically. Founder and namesake Ike Shehadeh opened the first sandwich shop in 2007. Since then the chain has expanded and gained a cult following for the large sandwiches and diverse toppings. While the menu on the wall features a certain number of the offerings, customers can always order any of the Ike's more than 700 specialty sandwiches, including meat, vegetarian, vegan, and gluten-free options. The signature on any Ike's sandwich is their "Dirty Sauce," a creamy garlic aioli that is toasted into the fresh-made bread.
